

Beyond Recycling

The Consumer's Response to Global Warming and Toxics

How can we – **individually and collectively** – take a stand against global warming, toxics and other environmental concerns?

Join King County Solid Waste Division's Tom Watson, EcoConsumer columnist for the Seattle Times, for a new perspective.

Presentation and discussion – Free
Wednesday, Sept. 13 – 5:30 p.m.
The Seattle Public Library
Central Library, 1000 4th Ave.
Microsoft Auditorium
